THE SERVICEMAN'S CORNER:

Hiya, fellows. For the first time in many months, no letters from "our boys" were delivered to us. But then--can't expect letters EVERY week, can we?

Guess who we saw at the Fountain of Youth last night? Remember Rick (Porky) Hatch? He's here until about December 9th, awaiting orders. He's being transferred from Klamath, California, to someplace on the east coast--probably New Jersey--and from there, maybe to Europe. That will put Rick and his pal Herb Gagnier clear across the world from each other. We told Rick it might be easier for him to go via India and China if he wanted to visit Herb over there in Okinawa!! The world is n't nearly as small as we thought it was, is it, fellas?

Speaking of Okinawa--our other local boy stationed there, Gerald Crowley, is being called home because of the grave illness of his mother, who was taken to the hospital last week. She is very seriously ill. Gerry's brother Jim is also being called home. He's been over there in Nevada, playing football with little ol' atom bombs!

Bob Tamm gets to eat Thanksgiving dinner at home, and then he has to report back to Oak Knoll hospital before being transferred elsewhere. He hopes to be sent to San Diego where pal Mickey Hunter is already stationed as Drill Instructor. Johnny Coryell is also down there--so that will make at least three of our Purple Hearts in one package! Another one, Eddie Baron, is still stationed over at Maro Island, where he's handy for hospital checkups for that bum leg of his.

John Clancy has already reported back to the Navy at San Diego, while Curt Richards, also Navy--won't be far behind him.

Well, gang--no news from any of you guys to pass on to you other guys--so guess that clams us up for the next two weeks--no Byline next week, you know. Nasty job, INVENTOR--on every fifth Friday month, you know. Byeoooo--

YOUR ELL TOR,

Gladys Reeco.

p.s.--it's still raining. And when I say raining--I don't mean a summer shower. Oh, my aching clothes-line! The clothes I washed last week are wetter now than they were when we hung 'em up! Oh well, if it didn't rain--we'd holler "Dry Season--Fire danger!" and so forth. But why can't they spread this rain around a little bit--does it ALL have to fall NOW?

TURKEY & TRIMMINGS ON G.I. MENU:

The traditional pumpkin pies will be made with sweet potatoes. The holiday wine will be cans of 3.2 beer. Battered mess kits will substitute for gleaming silver service and spotless china.

With these exceptions, many American

soldiers on this front are going to have a real Thanksgiving dinner this Thursday, young tom turkey and all the trimmings.

One company commander, Capt. Robert R. Birkhimer of Salinas, California, is trying to get flowers in Seoul for a table setting. If he doesn't get them, Birkhimer will pick wild flowers.

Class Sgt. 1/c Robert Couch, of Jackson, Ky., is preparing a menu of stuffed oel-dry hearts, olives, shrimp cocktail, buttered peas and corn, candied yams, turkey, hot rolls, mince pie, fruit cake, and fruits.

AMERICANISM CONTEST STARTED:

The Americanism Essay Contest has been started in the Brisbane Elementary School, for the 1952 awards, of which there will be two groups, with 1st, 2nd, and 3rd prizes in each group. This contest is sponsored each year by the American Legion Auxiliary, and this year's chairman is Lorene Harris, of 161 Monterey Street, Brisbane--who will act as chairman of both the American Legion Auxiliary Unit #473, and as District Chairman.

1951 CHRISTMAS PARTY PLANS STARTED:

At the meeting of the Christmas Party Committee members on Friday, November 9th, it was decided to change the parade route this year, to go down Visitacion Avenue towards the Recreation Center, instead of up the hill as formerly. Time of the party was changed also--but has not yet been set when this paper went to press.

The annual Christmas Party is sponsored by the Brisbane Lion's Club, with all local organizations to participate. Anyone wishing further information should contact Fred Laing of Laing's Variety, or watch this paper for further developments.

ACCIDENT ON BAYSHORE AT SAN BRUNO AVE.:

Suffering minor injuries on Bayshore Highway late Monday night was Niels Hansen of Burlingame, and Mrs. Maria Hansen, when the car driven by Hansen overturned after a collision with a sedan driven by Harry Wilder of Los Altos. The accident occurred near San Bruno Avenue at Brisbane.

SURPRISE BIRTHDAY DINNER FOR EDITOR:

Well! After all the Surprise parties and dinners Yours Truly has reported upon in these pages--we never dreamed we would have to report on one for "little ol' me!" Things were going serenely on last Sunday--spending a quiet birthday at home, with plans for attending the local movie on Sunday evening. Friend husband and pal Jerrie, plus "adopted kid brother" Bob Morris, all connived to get your unsuspecting Editor into the family car (?)---when said car stopped rolling, it was in front of the Bill and Lorone Harris residence at 161 Monterey Street. Inside were all kinds of good things to eat, such as a complete Chinese Dinner plus a beautiful birthday cake. One thing puzzles me, though. How come only 26 candles??? Why, ANYONE can tell you I'm over 30---'WAY over! After the yummy repast, all present gathered around the player piano in the basement--and such memories! They don't make music like that these days! Incidentally, have YOU ever tried to practice a Tango on a CONCRETE basement floor? You should try it some time---good for the leg muscles. HAPPY BIRTHDAY TO ME!!!

DARLA DEE ARRIVES AT VAN KIRK RESIDENCE:

Little Darla Dee Van Kirk arrived at the Van Kirk residence at 281 Humboldt Road on November 13th, 1951. She was welcomed by her brand-new parents, Merle and Deloris Van Kirk, and by her two year old sister, Tarama Van Kirk. Little Darla Dee weighed in at seven pounds, ten ounces--and seems to have the situation well in hand! WELCOME, DEE-DEE VAN KIRK!

NEW MAN IN THE LIFE OF EVA McDOWELL!

Rumor has it that there is a new man in the life of Mrs. Eva McDowell. The little gentleman made his belated appearance last week at the home of his parents, Stanley and Eva McDowell and sister Gloria, at 459 Sierra Point Road. We have not yet been told the name of little Master McDowell, and will report further when information is given us.

REPORT ON BUILDING PROBLEMS HERE:

There can be a lot of construction work done in Brisbane during the next year, but it will consist mostly of smaller buildings, according to I.E.Horton, South San Francisco lumber and building materials dealer, and member of the Public Affairs Committee of the National Retail Lumber Dealers Association.

"Larger homes and commercial and industrial buildings cannot be put up without securing permission in Washington, unless they are designed to require a minimum of steel and copper, and few permits are being approved," Mr. Horton said.

"On the other hand, no permit is needed to build a single-family home, if it uses no structural steel and not more than 1800 pounds of other steel and 35 pounds of copper or 1450 pounds of other steel and 160 pounds of copper, not counting fabricated building products, such as heating and plumbing fixtures, whose weights need not be considered.

"In the case of stores, garages, warehouses, and other commercial and institutional buildings, construction can go ahead without a permit if no more than 4000 lbs. of steel and 200 pounds of copper are to be used in any calendar quarter. The same provisions applies in the case of farm buildings.

"In other words, the size of a new building, except for one intended for amusement or recreational purposes, is limited only by the quantity of critical materials it requires.

"Any type of repair and modernization work also can go ahead without special authorization from Washington, provided the necessary materials are available."

---submitted by H.M.SCHAUR, JR. of

South City Lumber & Supply Co.
EDITOR'S NOTE: We presume the above applies only where the special WASHINGTON, D.C. permit is needed. This does not apply to the usual Building Permits, which are necessary in any case.

CIVIL SERVICE JOBS OPEN IN BAY AREA:

Persons under 35 years of age, with adequate experience and education, may apply to the U.S.Civil Service Commission, 630 Sansome Street, for appointments to positions as engineer and naval architect GS-5, through GS-14, in various Federal agencies in Arizona, California, and Nevada.

Applications for card punch operator, tabulating equipment or machine operator, telegraphic typewriter operator, storekeeper and guard, may be able to take civil service examinations merely by reporting to the commission's examining room at 1028 Flood building at 9 a.m. or 1 p.m., Monday through Friday.

Information regarding jobs as optical workers may be obtained from the Army and (continued on next column)--

Air Force Board of U.S.Civil Service Examiners, 1000 Geary Street.

The Board of U.S.Civil Service Examiners, Mare Island Naval Shipyard, is receiving applications for storekeeper in the optional fields of receiving, inventory, counting, checking, and general. To be filled are vacancies at the Mare Island Shipyard, naval ammunition depot, and naval hospital at Vallejo, and at the Naval Magazine, Port Chicago.

The Army's West Coast field office, 821 Market Street, has listed numerous jobs overseas for civilians. Information may be obtained by calling at or writing to that address.

Veterans of the Korean war are to now receive additional point credit in State civil service examinations, the State Personnel Board, Sacramento, announced yesterday.

IN REGARDS SANITARY DISTRICT:

At the November 15th meeting of the Brisbane Improvement Club, held at the Legion Hall, principal speaker of the evening was Mr. Wilson, attorney for the Water District. He explained how a Sanitary District could be formed here, and gave methods of financing such a project.

In order to form such a district, the following points must be reached: First: a petition must be submitted to the public, and signed by 25 reputable residents; Second, five directors must be elected; third, the District has power to construct, maintain, etc. sanitary and storm sewers; fourth, the adopted Sanitary code is superior to the County Code, and has power of financing public improvements four ways--(1)--By bond issue paid by ad-valorem tax on the property. Limit of Bond issue, 15% of assessed value of the property. (2)--By Revenue Bonds, same as the Water District, to be repaid out of Revenue. (3) By Special Assessment Bonds, not a debt or a fixed lien. Assessed against property served only. (4) Out of proceeds of direct tax, not over 40% out of each \$1.00.

Mr. Wilson recommended General Obligation Bonds.

FORMER BRISBANE MAN CAPTURES CAR THIEF:

Broadmoor Police Chief Paul Schmidt, son of Fred Schmidt, Sr., of 50 Mono Street, Brisbane, has credited Officer Harry [unclear] and Reserve Officer Robert Williams with the capture of a fifteen year old boy who had stolen a 1950 sedan in San Francisco. The arrest was made after a 35 mile an hour chase in South San Francisco. The boy had stolen the car several days before, and had been parking the car near his home each day after returning from school. It was while he was out joy-riding with a group of young friends that the two officers noticed a difference in license plates on the front and rear of the car. This difference led to the investigation, chase, and capture.

LION'S CLUB TO HAVE PUBLIC XMAS TREE:

Brisbane's Lions Club has announced that there will be a public tree, decorated and lighted, sometime before Christmas--but the location has not yet been decided upon. The planned Christmas party is under the sponsorship of the Lion's Club, and will be put on by all local organizations. Several changes will be made in procedure of parade, etc. this year.

REPORT FROM THE CUB PACK:

At the last meeting of the Brisbane Cub Pack #134, held October 26th at the Brisbane School auditorium, Chairman Carl Pueschel presided, while Leslie Williams and Derral Thrasher led the Flag Salute.

Mrs. Byron Jensen's Den 1 was awarded the banner for having the most parents present at this meeting. A lovely gift was presented to Mrs. Ruth Thrasher at her retirement as Den Mother of Den 5.

Darrel Thrasher and Leslie Williams were presented with their Webelos, and were taken into Scout Troop #134 by Jack Grabovsky and members of the Scout Troop. Derral and Leslie also received their Lion gold and silver arrows at this meeting.

Presented with Denner's bars were Penny Jensen and Johnny Llewallyn, while Billy Soever received his assistant Denner's Bar. One Year Stars were presented to Ray Kurtz, Billy Bradley, Stanley Kurtz, James Callian, Sonny Casadidio, and Dennis Jensen.

Jimmy Crowell and Leon Reese were presented with Lion badges and gold and silver arrows; Michael McHenry earned his Bear badge and one gold plus three silver arrows; Allan Webber received three silver arrows (on his bear badge); Alan Fitting got his Bear Badge, one gold, and TWELVE silver arrows; Patrick Bell received a Bear badge and one gold arrow; Richard Wright received one gold and three silver arrows; Richard Kuhn earned his Bear badge, one gold and two silver arrows; Ronald Saunders received his Bear badge, one gold and two silver arrows; Sonny Casadidio received his Bear badge and one gold arrow; Lester Schwartz, gold and silver arrow; Paul Mills Bear badge and one gold arrow; Ralph Oroquita got his Bear badge, one gold, and two silver arrows; Raymond Eurtz received one silver arrow; Leslie Williams gold and silver arrows; and Ronnie Culver, Bear badge.

Wolf arrows were presented to Billy Soever, Billy Laidlow, Leslie Williams, and Ronnie Culver.

At the close of the pack meeting, a Halloween Party was enjoyed by all present---with Mrs. Jensen's mother all dressed up to represent a Witch. Some of the youngsters refused to go near her--that's how REAL she looked.!--ARLENE PUESCHEL.

BRISBANE LARKS WIN 4TH STRAIGHT WIN:

The Brisbane Larks are keeping up the good record they have made in this first half season of the League games. On the strength of their good record, they will henceforth receive publicity via Monday's San Francisco News.

Last Sunday's game, played at 7th & Harrison, gave them their fourth straight win when they basted the Duplex Cleaners five to four. Former games gave them a 4 to 3 win over the Sunset Club; a 4 to 2 win over the College Hill Merchants; and a 4 to 1 lead over the Verdi Club. The next game will be played this Sunday, November 25th, also at 7th & Harrison, opposite Dick's Radio Team.

Last Sunday's game had the best local support to date, with approximately 25 Brisbane rooters present. This coming Sunday's game will be the final game in this half of the league play. Let's double the number of local rooters!

Members of the local team are as follows: pitchers, Walt Pipko and Jim Butler; catcher, Alan Rieker; 1st base, Marvin Moore; 2nd base, Jess Chapman; short-stop, Rich Trantham; 3rd base, Art Madonna; left field, John Fisher; center field, John Brodell; right field, Harold Tikkanen; Nick Guico, Larry Blanchard, and Bill Gomes; coach, Runt Trantham; and manager, Fred Chapman.

Outstanding players in last Sunday's game were John Fisher, for hitting and fielding; and Bill Gomes, for hitting. Jim Butler pitched a mighty fine game.

Because of the straight list of wins, the Larks have a very good chance at the League championship! This is the Class A American League, San Francisco Recreation and Park Department.
